

## Minor in History (24 credits)

This program will apply to all students entering the History Minor program from Fall 2022 forwards. For students admitted to the History Minor before Fall 2022, see the document “Minor in History (24 credits), 2015-2022.”

The History Minor requires 24 credits at introductory, intermediate, and advanced levels, exploring different fields of history through breadth requirements. The credits for the Minor are distributed in this way:

3 Credits	HIST 200 Introduction to History
	HIST 200 is a First Year Seminar on a focused topic (a “deep dive” into a historical subject) that introduces students to how historians make arguments, how they use historical evidence and other scholars’ writing, and how they communicate their ideas. There are several sections of HIST 200 offered in the Fall and Winter terms, each with a different topic.
9 Credits	HIST courses at the 200 level
12 Credits	HIST courses at the 300 level

### The General Education Rule and the History Minor

- If your primary program (Major/Specialization/Honours) is in a Social Science or Science subject, then by taking the History Minor you fulfill both the 24-credit and the General Education rules.
- If your primary program is in the Humanities sector, then you fulfill the 24-credit rule but not the General Education requirement for 6 credits outside the Humanities sector. See <https://www.concordia.ca/artsci/history/programs/undergraduate/requirements.html> for details.

### History Breadth Requirements

As you complete your History credits, you must take at least 3 credits, at any level, in each of the following four groups. Those courses serve a dual purpose in fulfilling both the breadth requirement and the 200-, 300-, and 400-level requirements for your program.

**Take at least one course from each column.**
