

From July 03 to September 29:

Department of Electrical and Computer Engineering

Job offer: Research Assistant: Bio-Imaging and Healthy Aging

We are seeking applications for a part-time (20 hours/week) Research Assistant position to coordinate the research activities of the NSERC Research Chair in Bio-imaging and Healthy Aging (B-healthy). Reporting to Dr. Habib Benali, the role of the Research Assistant will be to manage research activities conducted by the B-healthy team related to mathematical modeling of brain anatomy and function. This will include:

- Participate in project meetings with other researchers.
- Help to find participants for research study and supervise the communication with candidates.
- Plan the data collection at the University's School of Health.
- Supervise the data analysis obtained from research.
- Provide advice regarding MRI and EEG processing.
- Assist the research chair with the preparation of publications.

Requirements

- Master's degree in sciences + knowledge in neuroimaging is required.
- Experience in developing or coordinating academic research projects.
- High level of personal initiative, innovation, and flexibility.
- Good knowledge of spoken and written English.
- Excellent communication and interpersonal skills and discipline.

The successful candidate will be based at Concordia EV building and the University's School of Health (Loyola campus).

Appointment

The Assistant position is a part-time (20 hours/week) **contract appointment from July 03 to September 29, 2023**. The annual salary will be \$30 per hour.

Application Procedure

Applications should be submitted and addressed to **Habib Benali** at Benali.lab@concordia.ca **no later than Friday, June 30th, 2023, by 5:00 pm EST.**

A complete application must include the following:

- A cover letter.
- A current curriculum vitae

All inquiries should be addressed to Dr. Benali. ***Only complete applications will be considered.***

Concordia University is committed to Employment Equity and encourages applications from women, Aboriginal Peoples, visible minorities, ethnic minorities, and persons with disabilities.
