Certificate in Arts and Science:

▶ **30, 48 (MEP) or 60 (ECP) credits**

▶ **All credits can transfer into a degree as long as grades are a C- or higher**
  ▶ **Credits and grades will transfer from an incomplete Certificate**
  ▶ **Only credits will transfer from a completed Certificate**

▶ **At least 24 credits from the Faculty of Arts and Science from not more than 3 departments:**

▶ **Possible courses:**
  ▶ **3 x SOCI, 3 x HIST, 2 x POLI**
  ▶ **3 x AHSC, 3 x PSYC, 2 x ENGL**
  ▶ **3 x MATH, 3 x THEO, 2 x ECON**

▶ **Six credits can come from another faculty**

▶ **Go to https://www.concordia.ca/artsci/students/advising-registration-withdrawal/elective-courses.html to look for open courses**

Certificate in Science Foundation:

▶ **30, 48 (MEP) or 60 (ECP) credits**

▶ **All credits can transfer into a degree as long as grades are a C- or higher**
  ▶ **Credits and grades will transfer from an incomplete Certificate**
  ▶ **Only credits will transfer from a completed Certificate**

▶ **Required courses:**
  BIOL 201
  CHEM 205 & 206
  MATH 203*, 204, 205
  PHYS 204, 205, 206, 224, 225 and 226

▶ **MATH 203 has MATH 201 as a prerequisite. If you do not have it as an exemption, or transfer credit, you must complete it first**

▶ **If exempted from any of these, the credits must be replaced from an approved list of courses (refer to https://www.concordia.ca/academics/undergraduate/calendar/current/section-31-faculty-of-arts-and-science/section-31-170-interdisciplinary-studies/certificate-in-science-foundations.html**

Certificate requirements

Benefits of certificate programs

The Certificates are an opportunity to:

Take prerequisite/profile courses

Improve academic record

Try out different programs before deciding

Any class with a grade of C- or above will transfer to a Bachelor's degree

Many students use the Certificates as a stepping stone – small steps to get into the program they want!

Registration

It's alright if you are unsure about your future direction!

Choose courses based on your academic goals

Try to register in courses that are a part of the program you hope to enter

Courses other than "program" courses will count as electives, if you transfer into a degree

To find "open" courses, go to: https://www.concordia.ca/artsci/students/advising-registration-withdrawal/elective-courses.html

Recommended: English composition classes, placement test required

What other services can support me?

- Student Academic Services – we are your advisors
- Student Success Center
- Financial Aid and Awards
- Birks Student Service Center
- Access Center for Students with Disabilities
- Your professors!!!!!

Tips for Success

1	2	3	4	5	6	7
Meet with Professors - after class, during office hours!	Know your registration dates (look in your Student Center)	Register on time!!!	Register for the summer, fall and winter terms at the same time!	Know registration and withdrawal deadlines	Apply for INC, DEF or MEDs, if necessary	Use university services, if needed
