University, Educational Studies

**Lucia Lucena**, PhD Student, McGill University,  
Educational Studies

*Moderator*

Neslihan Sriram-Uzundal

*Come and be part of our roundtable discussion*

How does the concept of gender impact our understanding as educators, researchers, and individuals? In what ways does our gender identity shape our educational experiences and the way we are represented? What key theories, literatures, and philosophies have influenced our understanding of gender?

This event is hosted by the **Centre for  
the Study of Learning and  
Performance**
