Therefore, students wishing to take courses offered under the Optional Courses that have prerequisites in other departments must consult the individual departments. For Optional Courses in other departments that have prerequisites or require permission, you must contact the department offering the course.</li> <li>• Students may take as many sections of WSDB 398 or 498 courses as are available as long as the subject/title is different.</li> </ul>
<b>/60</b>	

**Important Notes:**

- 1) Students cannot use the same course twice to complete degree requirements.
- 2) Students are responsible for ensuring that graduation requirements are met, in accordance with the requirements set out in the Calendar corresponding to their year of admission.
- 3) It is the student's responsibility to fulfill all program and degree requirements. Exceptional substitutions to these requirements must be approved via Student Request prior to graduation, and permission to register for a course does not constitute approval of a substitution.
