# WELCOME TO CONCORDIA

## YOU AT CONCORDIA

Located in the cultural hub of Montreal, Quebec, Canada, students from more than **150 countries** call Concordia their new home.

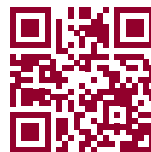

## 50 YEARS: FOREVER FORWARD

For half a century, students have come to Concordia knowing that they can make a lasting impact with the projects they are most passionate about.

Are you into building robots? Writing poetry? Learning French? Creating animation, workout plans or your own small business?

Concordia gives you the tools to make it happen!

*Concordia University is located on unceded Indigenous lands. The Kanien'kehá:ka Nation is recognized as the custodians of the lands and waters on which we gather today. Tiohtià:ke/Montreal is historically known as a gathering place for many First Nations. Today, it is home to a diverse population of Indigenous and other peoples. We respect the continued connections with the past, present and future in our ongoing relationships with Indigenous and other peoples within the Montreal community.*

**35,900** undergraduate students  
**100+** degree programs to choose from  
**100%** of programs offer real-world experience  
**260,000** alumni worldwide

## TOP THREE REASONS TO CHOOSE CONCORDIA

- The opportunities of a big university with a tight-knit community feel
- A hands-on philosophy that prepares you for life after graduation
- The cultural pulse and diversity of Montreal – one of the world's best student cities

## SUSTAINABLE 2040 VISION

By 2040, Concordia will achieve carbon neutrality. Concordia's two campuses are transforming into labs that reduce energy consumption, optimize heating systems and encourage behavioural change. Our bold PLAN/NET ZERØ project demonstrates how even Canada's largest urban universities can target net-zero emissions.

# EXPERIENTIAL LEARNING

Space Concordia students experimenting in the engineering cage.

**Concordia has made a commitment to offer every incoming undergraduate student at least one experiential learning opportunity during their studies and at least two by 2025.**

During your degree, you will have the opportunity to gain real-world experience, build your resumé and graduate ready to jump into your career.

## **Discover the six types of experiential learning at Concordia:**

- **Course-integrated:** Apply what you learn in labs, simulations, capstone projects, studio work, performances or exhibitions.
- **Work-integrated:** Gain valuable work experience through internships, co-op placements, industrial experience, clinical placements and teaching assistantships.
- **Research-based:** Contribute new knowledge to your field by becoming a research assistant or working on a major research project.
- **Student life:** Join a student group related to your interests, or participate in competitions, workshops and festivals.
- **Community-based:** More than just volunteering! Research for social change or do an internship within a community and connect your experience to your studies.
- **International:** Consider an exchange program or field school abroad at one of our 180 partner institutions, or take part in a co-op term, internship or research overseas.

*"I gained work experience with Centre Kapwa, where I helped organize our first-ever conference to unite against anti-Asian racism. In my program, we learn about activism, public policy and social issues. It relates a lot to what I do in my internship, and I really appreciate that."*

**– Jon Marvin Reyes, BA '25  
Kalibo, Philippines**

Give back to the earth by volunteering at the Loyola Gardens.

### **Co-op education**

At Concordia, you can make money and build your resumé throughout your degree. Alternate between semesters in the classroom and working while test-driving your future career.

Students who take part in Co-op programs have gained valuable work experience with employers including Tesla Motors, Ubisoft, L'Oréal, SunLife Financial, Bombardier, and Parks Canada.

### **Help fund your studies while you're still in school!**

Students who take part in the Co-op program can make an hourly wage of **\$17–\$45** and a total of **\$9,500–\$25,000** per work term.\*

Every co-op experience is unique — your schedule and pay may differ depending on your program, company and number of internships completed.

*\*In Canadian dollars.*

# SERVICES FOR STUDENTS

**Balancing work and play is key to university success. How do Concordians do it? With plenty of help.**

## **Orientation**

From the day you're admitted until you're settled into your first term classes, Concordia's Orientation programming helps you start university off right. Making friends? We can help. Registering for classes? Let's go!

## **International Students Office**

Dedicated to supporting students from outside Canada, the Office hosts social events, field trips around Montreal and Quebec, and offers help navigating immigration, securing housing and finding a job.

## **Student Success Centre**

You're never alone on your student journey, thanks to the Student Success Centre! Elevate your studies with workshops, events and programs designed to help you excel at time management, studying and networking at Concordia.

## **Homeroom**

Groups of students meet up each week with an upper-year Homeroom Guide to hang out and talk about whatever's on their minds. Any first-year student can join a Homeroom pod, with a variety of pods catering to diverse groups and interests.

## **Access Centre for Students with Disabilities**

The Centre partners with thousands of students each year to help eliminate barriers to participation in and outside of the classroom. Students who work with the Centre may access support and advocacy for the duration of their studies.

## **Health and Wellness**

We offer health resources right on campus — including a free clinic for students. Drop into a Zen Den for wellness workshops, meditation sessions, stress-release dance parties and visits with adorable therapy dogs during the height of exam season.

Take a fitness class, lift weights and stay active at Le Gym or the PERFORM Centre, our fitness facilities with great student membership rates!

## STUDENT RESIDENCES AND HOUSING RESOURCES

Bond over midnight snacks with your new neighbours in one of Concordia's residences. Or, spread your wings and experience Montreal like a local, living off-campus in one of the city's many safe, vibrant neighbourhoods that are easily accessible by metro, bus or bike.

### Concordia residences

Choose between the heart of downtown or the greenery of Loyola Campus. All are gender-inclusive, furnished and offer single or shared rooms. Enrolling in a meal plan is mandatory for all students living in residence.

### Off-campus housing

Concordia has many resources to help you find roommates and launch into off-campus living with confidence! Join a workshop and learn how to find the right apartment with our First Year Experience Office or drop by HOJO — the Concordia Student Union's Housing and Job Bank.
