AEE Canada East Founders Scholarship for Undergraduates in Energy Efficiency and Renewable Energy Innovation

The AEE Canada East Founders Scholarship for Undergraduates in Energy Efficiency and Renewable Energy Innovation was established in 2023 by the founders of the Canada East chapter of the Association of Energy Engineers. The purpose of the scholarship is to encourage engineering students who are studying and have academic interest in energy, energy efficiency, renewable energy, decarbonization, smart cities, or innovation.

Eligibility Requirements:

This Scholarship will be awarded annually to a student that fits within the following criteria:

- Full-time 3rd and 4th year undergraduate student.
- Enrolled in the Gina Cody School of Engineering and Computer Science.
- Minimum GPA of 3.30
- Open to Canadian citizens, permanent residents and international students

Award Value: One award available valued at \$2,500.00

How to Apply:

Candidates wishing to apply for this scholarship must submit, along with the application form:

- A one-page statement on why the award is meaningful to them. The statement will demonstrate the applicant's academic interest in, and/or work on a project in the area of energy, energy efficiency, renewable energy, decarbonization, smart cities, or innovation.

To submit your application, **all** documentation must be securely uploaded through your Student Centre. Detailed instructions on the process can be found at the following link:
