## COURSE EQUIVALENCIES FOR THE JOHN MOLSON SCHOOL OF BUSINESS

CONCORDIA STUDENT EXCHANGE PROGRAM  
(CSEP)

# DISCLAIMER

Please be advised that this database is for reference purposes only. Credit values are subject to change depending on the credit values of the course at the host institution and will be determined at the point of course approval.

## THE JOHN MOLSON SCHOOL OF BUSINESS

All courses taken abroad must be pre-approved by JMSB. Courses taken without approval will not be transferred to Concordia.

Course sequences must be adhered to (ex. students cannot take COMM 401 abroad if they have not previously completed COMM 225).

The course COMM 315 & COMM 316 must be taken at Concordia.

All courses taken abroad must pertain to a student's degree program requirements.

Students are not permitted to take courses at the graduate (Master's) level.

JMSB does not recommend that students attend an exchange during their final semester at Concordia.

Students who choose to go abroad during their final semester risk delaying their graduation.

JMSB does not guarantee course availability at host institutions.

JMSB reserves the right to withdraw students from the CSEP if there are not substantial courses available at the host institution to satisfy their remaining degree program requirements.

## THE HOST INSTITUTION

The host institution reserves the right to discontinue a course or remove a course from their course offerings.

The host institution reserves the right to deny a student's course registration request even if the course has been pre-approved by JMSB.

Seats in courses cannot be reserved at the host institution.

It is the student's responsibility to verify that their selected courses are offered at the host institution during their exchange semester.
