## **Interlibrary Loans service**

The <u>Interlibrary loans service</u> (ILL)is now embedded within the Discovery tool <u>Sofia</u>. ILL requests are made directly in the Sofia Discovery tool, using the "Request via Interlibrary Loan" button or using the form available under the "Requests" tab in your Sofia "My Account".

If you visit another university library in Québec, your Concordia ID card will be your library card. For university libraries outside of Quebec, you will need a <u>PBUQ card</u> to borrow a book on-site.

For more information on how to place ILL requests for books, articles and chapter scans, please visit the <u>User guide for the Sofia Discovery tool</u>.

This service is free and available to Concordia undergraduate and graduate students, faculty members and staff. I
